

Describing a hotel Atlanta Hotel (Vilnius, Lithuania)

We stayed in this hotel near the Old Town where we had a beautiful bedroom with good facilities: minibar, internet access, satellite TV, and air conditioning. The hotel has a great gym. There was 24-hour room service and the staff were very helpful with tourist information. The café bar was a very pleasant place to meet other guests, and we had a delicious breakfast there too. We recommend both Vilnius and the Atlanta for a short stay.

Описание отеля Гостиница Атланта (Вильнюс, Литва)

Мы остановились в этом отеле недалеко от Старого города, где у нас была красивая спальня с хорошими удобствами: мини-бар, доступ в интернет, спутниковое телевидение и кондиционер. В отеле есть отличный тренажерный зал. Там было круглосуточное обслуживание номеров, и персонал был очень любезен с туристической информацией. Кафебар был очень приятным местом для встречи с другими гостями, и мы тоже очень вкусно позавтракали там. Мы рекомендуем как Вильнюс, так и Атланту для короткого пребывания.

Mehmonxona ta'rifi Hotel Atlanta (Vilnius, Litva)

Biz ushbu mehmonxonada - minibar, internetga kirish, sun'iy yo'ldosh televidenie va klima kabi yaxshi jihozlangan chiroyli yotoq xonasi bo'lgan eski shahar yaqinida to'xtadik. Mehmonxonada ajoyib sport zali mavjud. U yerda 24 soat xona xizmati bor edi va hodimlari va sayyohlik ma'lumotlari juda yoqdi. Kafe bar boshqa mehmonlar bilan uchrashish uchun juda ajoyib joy edi va biz u yerda mazali nonushta qildik. Vilnius va Atlantani biz qisqa muddatli turar joy uchun tavsiya qilamiz.
